--- "Series of 1881" - RE-WORKED TOBACCO (RW) - Windsor Division [G 66] - 3rd BABN Contract ---

--- lithographed in VIOLET ink - 238 x 20 mm - with 4 mm blue controls - scanned at 67% scale ---

--- inscribed 1/10 over *LICENSE* **and lb. over** No..... **plus** *S.M. Return No. ..... / James Gow/* ***Collector*** **---**

Chris Ryan reports that *James Gow* replaced *C. F. Labadie* as Collector at Windsor on June 1st 1876.

John McKay records that 189,920 *lithographed* copies of "1-10th Brown Tobacco", plus another 20,000 and 115,000 *lithographed* copies of "1-10th Violet Ribbon Tobacco" (plain / City-Code) as being 'Delivered' under the **3rd BABN Contract** (1878-1886). He has grouped the Division "Open" and the Division "Specific" stamps.

McKay further records that 185,658 *lithographed* copies of "1/10 lb. Violet Ribbon Tobacco" were 'Delivered' under the second TOBACCO section of the **4th BABN Contract** (1886-1892), which was reserved for *obsolete* BABN production 'Delivered' to the Department in February / March 1888. As of July 1st 1883, all brown and violet re-worked strips have been declared *obsolete*, and thus many of these sheets were *control-free*. John McKay has grouped the 'brown' and the 'violet' strips in this single entry.

3rd BABN Contract (1878-1886) -	189,920 brown
	20,000 violet
	115,000 violet
4th BABN Contract (1886-1892) -	185,658 violet and also brown - JBH
	510,578

During February / March 1888, BABN 'Delivered' their remaining 185,658 violet and brown 1/10th pound strips, both *control-numbered* and *control-free*, in perforated and in imperforate form to the Department, and thus originates the multiplicity of Brandom listed strips. I can see no other reason for the existence of a *control-numbered* imperforate strip - it was simply *unfinished stock*. The same can be said for the *control-free* perforated, rouletted and imperforate. They are plainly just anomalies, and they should be collected as such - i.e. not given a separate catalogue number.

The final 'upper-limit' control numbers on the 1/10th pound RE-WORKED TOBACCO strips - as collected to date

Division Open - brown	**056137**
Montreal Division - brown	**048963**
Montreal Division - violet	**110277**
Quebec Division - violet	**055160**
Windsor Division "G 66" - violet	none
Windsor Division [ ] - violet	**020999**
	291,536

Lee Brandom lists the Windsor, 1/10 pound - violet [G 66] RE-WORKED strip as follows: - **WANTED!**

RW-64† - Windsor, 1/10 pound - violet [G 66], *coarse roulette*, on *block wmkd* vertical mesh wove - 4 mm. blue controls

RW-64n - 1/10th pound, violet, *coarse roulette*, Windsor Division **"G 66"**, *without* control numbering, Lithographed on *block watermarked* vertical mesh wove paper - badly bowed by the lithographer
